4 FL. OZ. (118 ml)

very water resistant

CONSUMER INFORMATION:
This product is only intended for use in or around the home. Do not apply to the skin or rely on the product for protection while in the water. After swimming, reapply every 8 hours. This product is not intended for use by children under the age of 3.

STORAGE
Store in cool, dry place away from heat and flame.

DISPOSAL: Dispose of empty container. Do not reuse or refill the container. Place in trash or offer for recycling if available. If properly filled, Call your local waste disposal agency for disposal instructions.

PRECAUTIONARY STATEMENTS: Hazard to Vomiting

WARNING: Never administer the product to a person who is vomiting. Do not apply with open cuts. Do not apply near open wounds. Do not apply to children under the age of 3. Avoid contact with eyes and mucous membranes. Avoid contact with breaks in the skin. Avoid contact with clothing, bedding or linens.

FIRST AID

Inhalation:
Remove from exposure and into fresh air. If breathing slows or stops, provide artificial respiration immediately. Call 911 or your local emergency service.

Ingestion:
Immediately call 911 or your local poison control center. Do not induce vomiting. Do not give anything by mouth. Call 911 or your local emergency service.

Skin:
Wash your hands with soap and water. Determine the amount of product absorbed and wash with soap and water.

Eye:
Wash your eyes open with cold, clean water for 15 minutes. If irritation persists, call 911 or your local emergency service.
