Carpet & Upholstery Aerosol Spray

with PRECOR® Insect Growth Regulator (IGR)

READ ENTIRE LABEL BEFORE USE

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

**SHAKE WELL BEFORE USING. THIS PRODUCT IS NOT SAFE FOR USE ON HUMANS.**

A single can (16 oz) treats 2,000 square feet. Remove protective cap, hold container *upside down* and spray from a distance of 2 to 3 feet. Remove pets and birds and cover and unplug aquariums before spraying. Vacate room after treatment and ventilate before reoccupying. Do not allow children or pets to contact treated areas until surfaces are dry.

**FLEAS (Adults and Larvae) AND TICKS (Adults): FOR USE IN HOME**

For best results, pay special attention to areas your pets frequent. Avoid thoroughly wetting the area that needs treating. To kill adult fleas, flea larvae, and adult ticks in your home, hold container *upside down* 2 to 3 feet from surface, point actuator towards the surface, and push button.

**For Surface/Carpet Spray:** Vacuum thoroughly before spraying. A test application should be made to upholstery or drapery fabrics in an inconspicuous place before use. Apply uniformly with a sweeping motion to rugs, carpets, drapes, and all surfaces of upholstered furniture. Treat surfaces uniformly from one end to the other. Only complete coverage of carpets, upholstery, drapes, and other fabrics will provide thorough flea/tick elimination.

**For Use in Pet Areas:** Pay special attention to areas where pets frequent, such as in and around sleeping and resting areas. Treat pet bedding and other pet resting areas as these are primary hiding areas for fleas/ticks. For best results, pets should be treated before they return to the treated areas.

**STORAGE and DISPOSAL:** **Storage:** Store in a cool, dry area. Do not transport or store below 32°F.

**Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency for disposal instructions.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling and before smoking or eating.

**FIRST AID:** Call a poison control center or doctor immediately for treatment advice.

<b>If swallowed</b>	<ul style="list-style-type: none"><li>• Have person sip a glass of water if able to swallow.</li><li>• Do not induce vomiting unless told to do so by a poison control center or a doctor.</li><li>• Do not give anything by mouth to an unconscious person.</li></ul>
<b>If inhaled</b>	<ul style="list-style-type: none"><li>• Move person to fresh air.</li><li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</li></ul>
<b>If in eyes</b>	<ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li></ul>
<b>If on skin or clothing</b>	<ul style="list-style-type: none"><li>• Take off contaminated clothing.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li></ul>

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-950-4783 for emergency medical treatment information.

**PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

*Contains no CFC or other ozone-depleting substances. Federal regulations prohibit CFC propellants in aerosols.*
